40 Years of Service

With a theme of "Then and Now" The Brave staff dedicates this special history yearbook to Father Frank Ribotta.

Father Frank was here in 1940 when the first students arrived. He has been a coach, a counselor, a teacher, a friend. His quiet manner, understanding presence and steady guidance has been the inspiration for countless Braves who have passed through his classroom.

It is with pride, respect and love that we return a small portion of the dedication Father Frank has given to us.

1940 Construction

In 1940 Don Bosco's vision of a school for boys found its way to Bellflower. Before Pearl Harbor and even the paving of Foster Road, the spark which originated in Turin, Italy began to kindle in the first priests, brothers and students.

1950's Construction

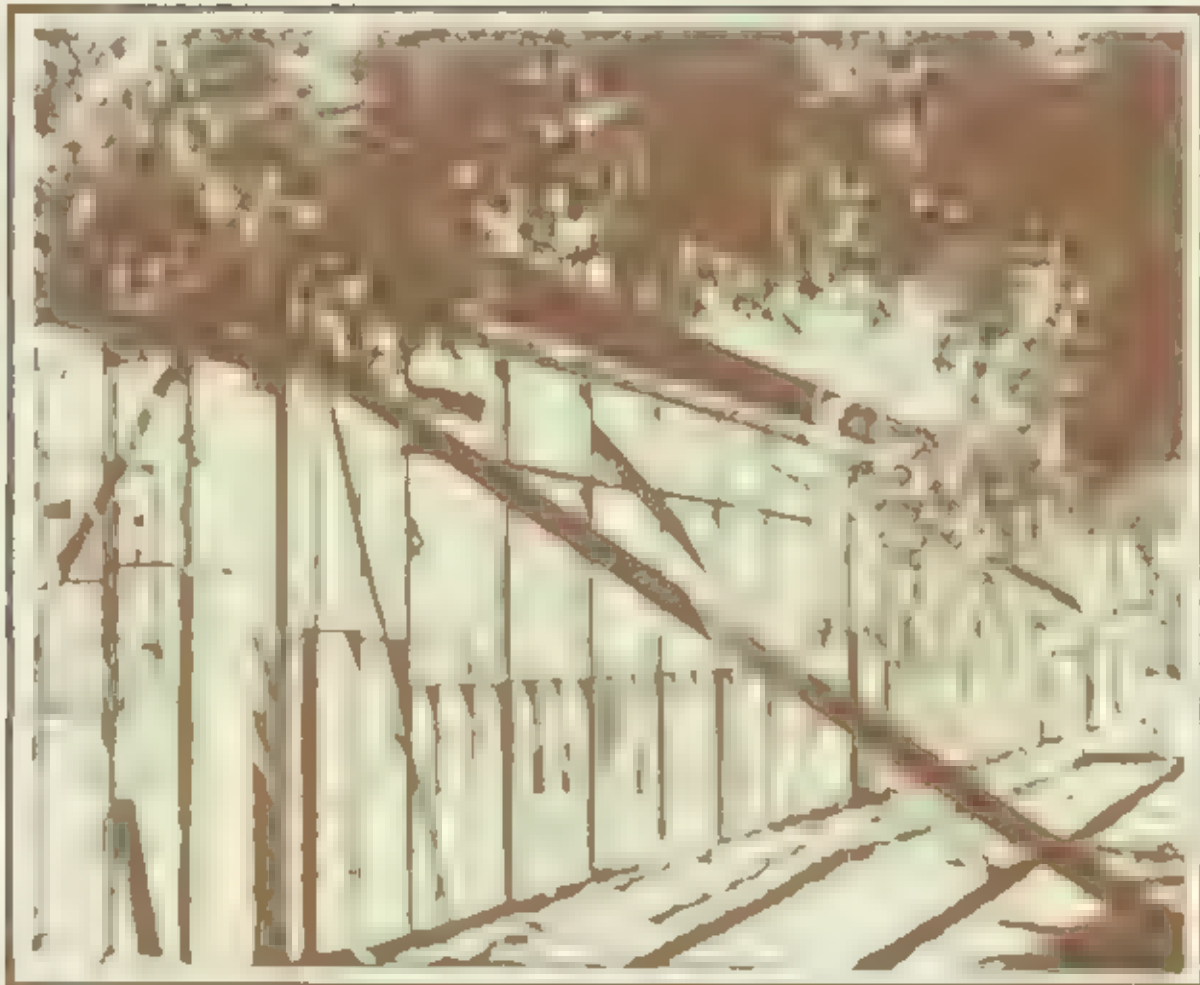

As the decade turned into the 1950's the small boy's school suffered growing pains. A chapel was added along with a swimming pool. The student body grew and dormitories were opened for high school students. The boy's school on Bellflower Boulevard began to glow with excitement and the coming of the next decade.

1960's Construction

Characteristic of the 1960's change became the order at St. John Bosco. New buildings were added the Science wing, the gym and the "temporary" 400 classrooms. Lay faculty began to fill in the ranks as more students were admitted. The spark that was brought to Bellflower was like a warm glow from a friendly campfire, as more than 1,000 students were recognized in graduation ceremonies.

1970's Construction

The 1970's saw St. John Bosco explode as it became one of the finest academic and athletic institutions in Southern California. Internal changes were made to reinforce a very steady and successful program.

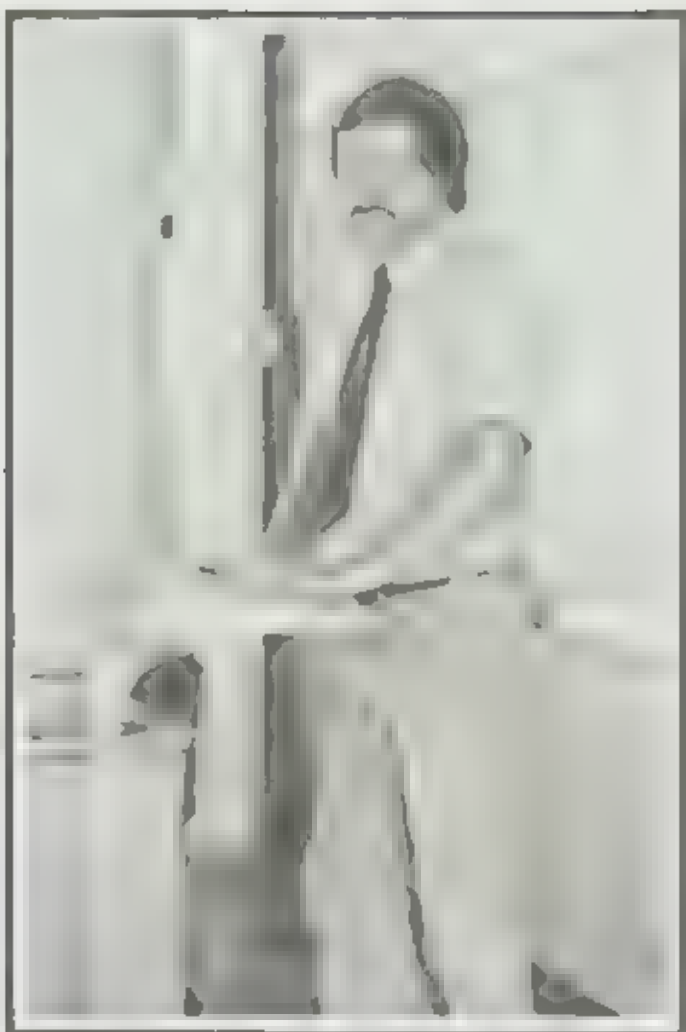

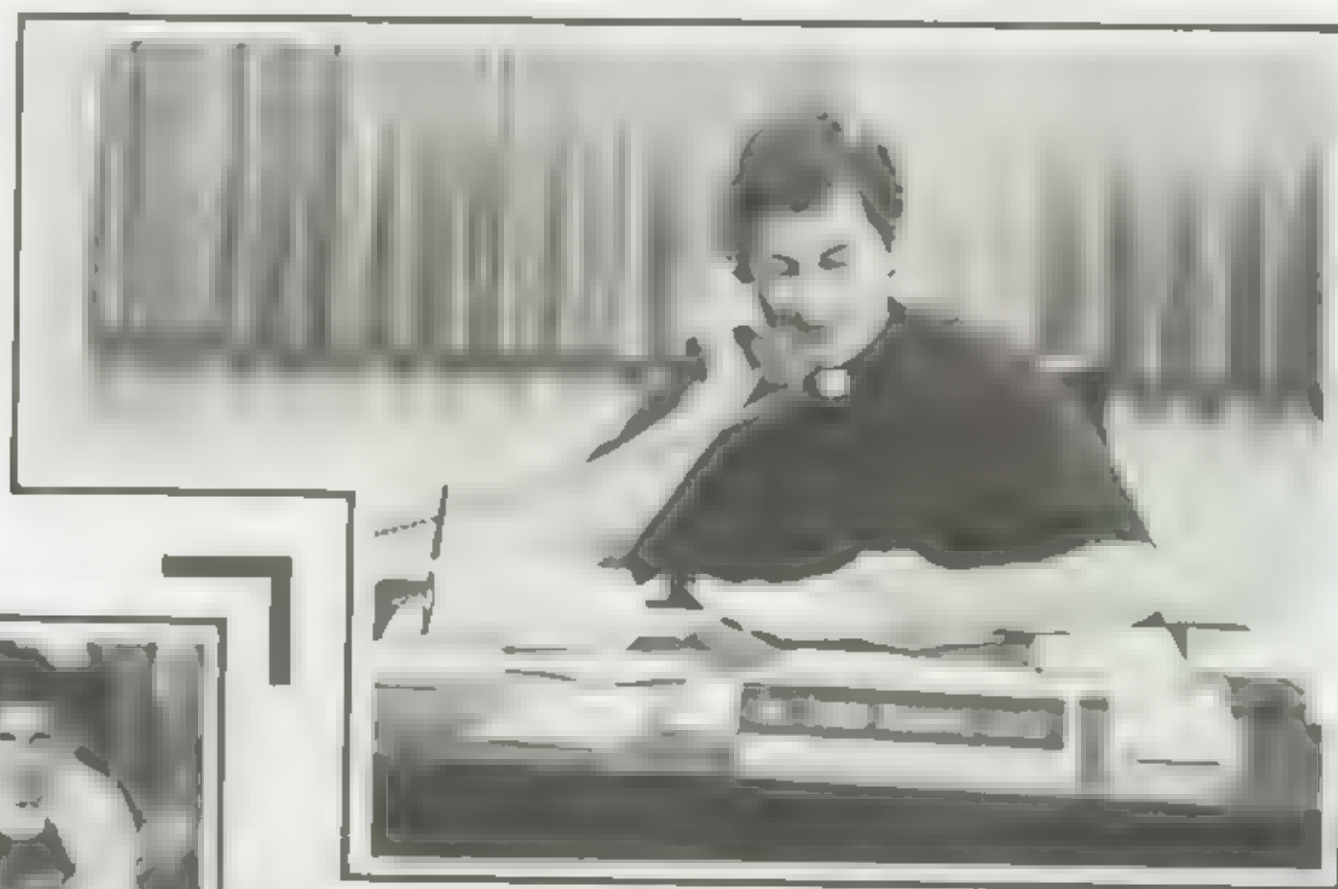

The 1980's

As the 1980's approach St. John Bosco enters its fifth decade. It's not the same little school lost behind the trees but a noticeable and illuminating institution. As Bosco changed, the basic vision of those early Salesians has remained the same, the love and dedication that opened the school in the autumn of 1940 are the foundation for the pride and tradition that are displayed in the attitudes of today's Bosco Brave.

The Band made many appearances this year such as the Bellflower Parade, the Echo Park Parade and various other performances. The Band also provided spirit for the football and basketball crowds and its rendition of "Rocky" helped spur on the football team to the De Rey Title.

Europe

On June 17, 1981 a number of St. John Bosco students were leaving for Europe. While staying abroad the students will be visiting London, Paris, Lausanne, Vienna, Florence, and Rome. 1981 marks the first year that Bosco students have had the opportunity to see and experience Europe. The students who participate in this program are enrolled in American Leadership Study Groups which offers courses at international high schools.

scene of comradeship as runners marched, walked, carried, and some even ran for the one hour time limit. Involvement in high school life and overall friendship marked the tenor of the day.

Basketball Homecoming: Nons on Display

Basketball Homecoming was headed by a different activity that took place very day Tuesday was the first day of Homecoming week and all students were encouraged to wear hats. This proved to be a lot more exciting than ever thought possible.

Wednesday was fatigue day and the guys who had received referrals earlier in the year were elated at the thought of dressing in army wear without worrying about being seen by teachers. Even a few brave members of the faculty were spotted in fatigues.

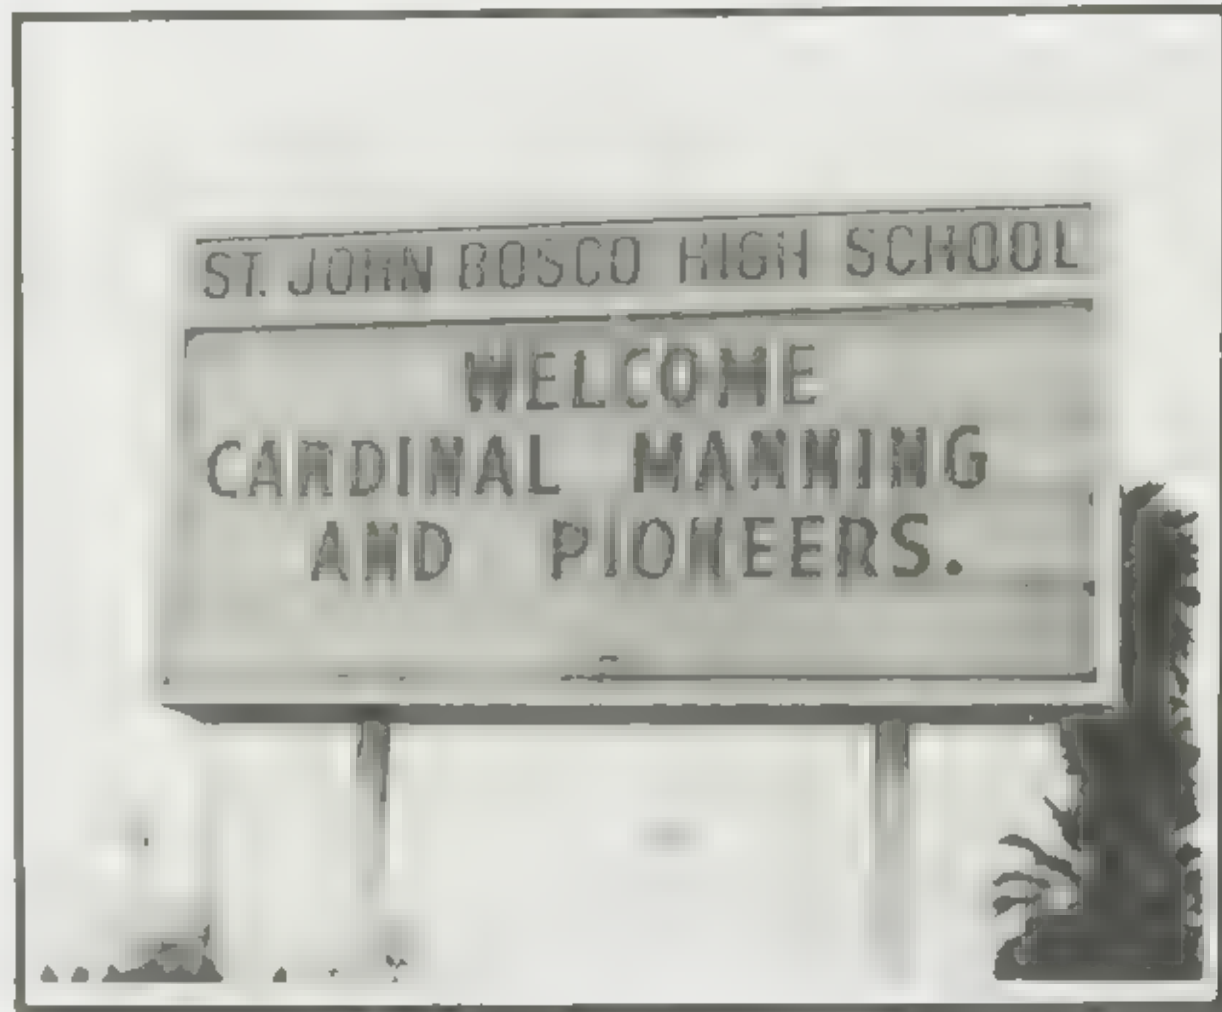

Thursday and Friday were casual dress days and Friday ended with the crowning of homecoming king Mike Hammond and a disappointing one point loss to St. Francis. The week came to an end Saturday night with a dance featuring the band Southern Pacific.

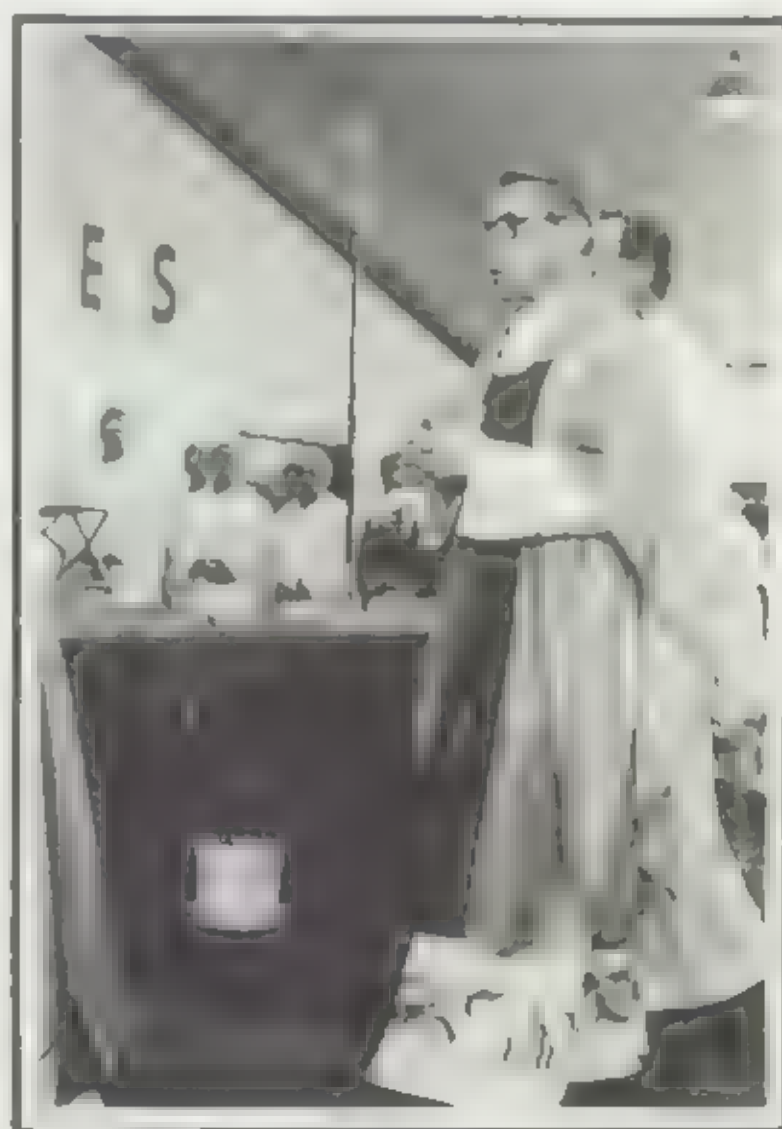

Overall, the week was a success, for all the clubs who had sales, and was enjoyed by all the students and faculty.

Feast of S.J.B

On January 28th Timothy Cardinal Manning concelebrated a Mass marking St. John Bosco High School's 40th anniversary. Father John, both principal and alumnus, opened the celebration with a reading from the original school journal. Besides the Cardinal a number of early pioneers of the school were also present. The day was filled with both reflection and hopeful comments about the future.

When my feet benumbed in death, shall warn me
that my mortal course is drawing to a close —
Merciful Jesus, have mercy on me!
When my eyes, dim and troubled at the approach
of death, shall fix themselves on you,
my last and only support —
Merciful Jesus have mercy on me!
When my ears, soon to be shut forever to the words

Merciful Jesus, have mercy on me!

Miracle Braves of 1980

For the first time in Bosco history the varsity football team was the Del Rey League Champs. The Braves advanced to the Big Five Quarter Finals. What makes this feat more incredible is the fact that only one year ago the Braves finished last in league action.

At the beginning of the season there were doubts that the Braves would fare much better than last year. These doubts were soon erased. In the first two outings the Braves scored impressive wins. The Braves crushed rival Downey 28-3 and the following week they went on to beat a tough Santa Fe team, 14-7.

The next two games proved to be a disappointment for the Braves. The team suffered heart-breaking back to back losses to Mater Dei and Bell Gardens by the identical score of 10-7.

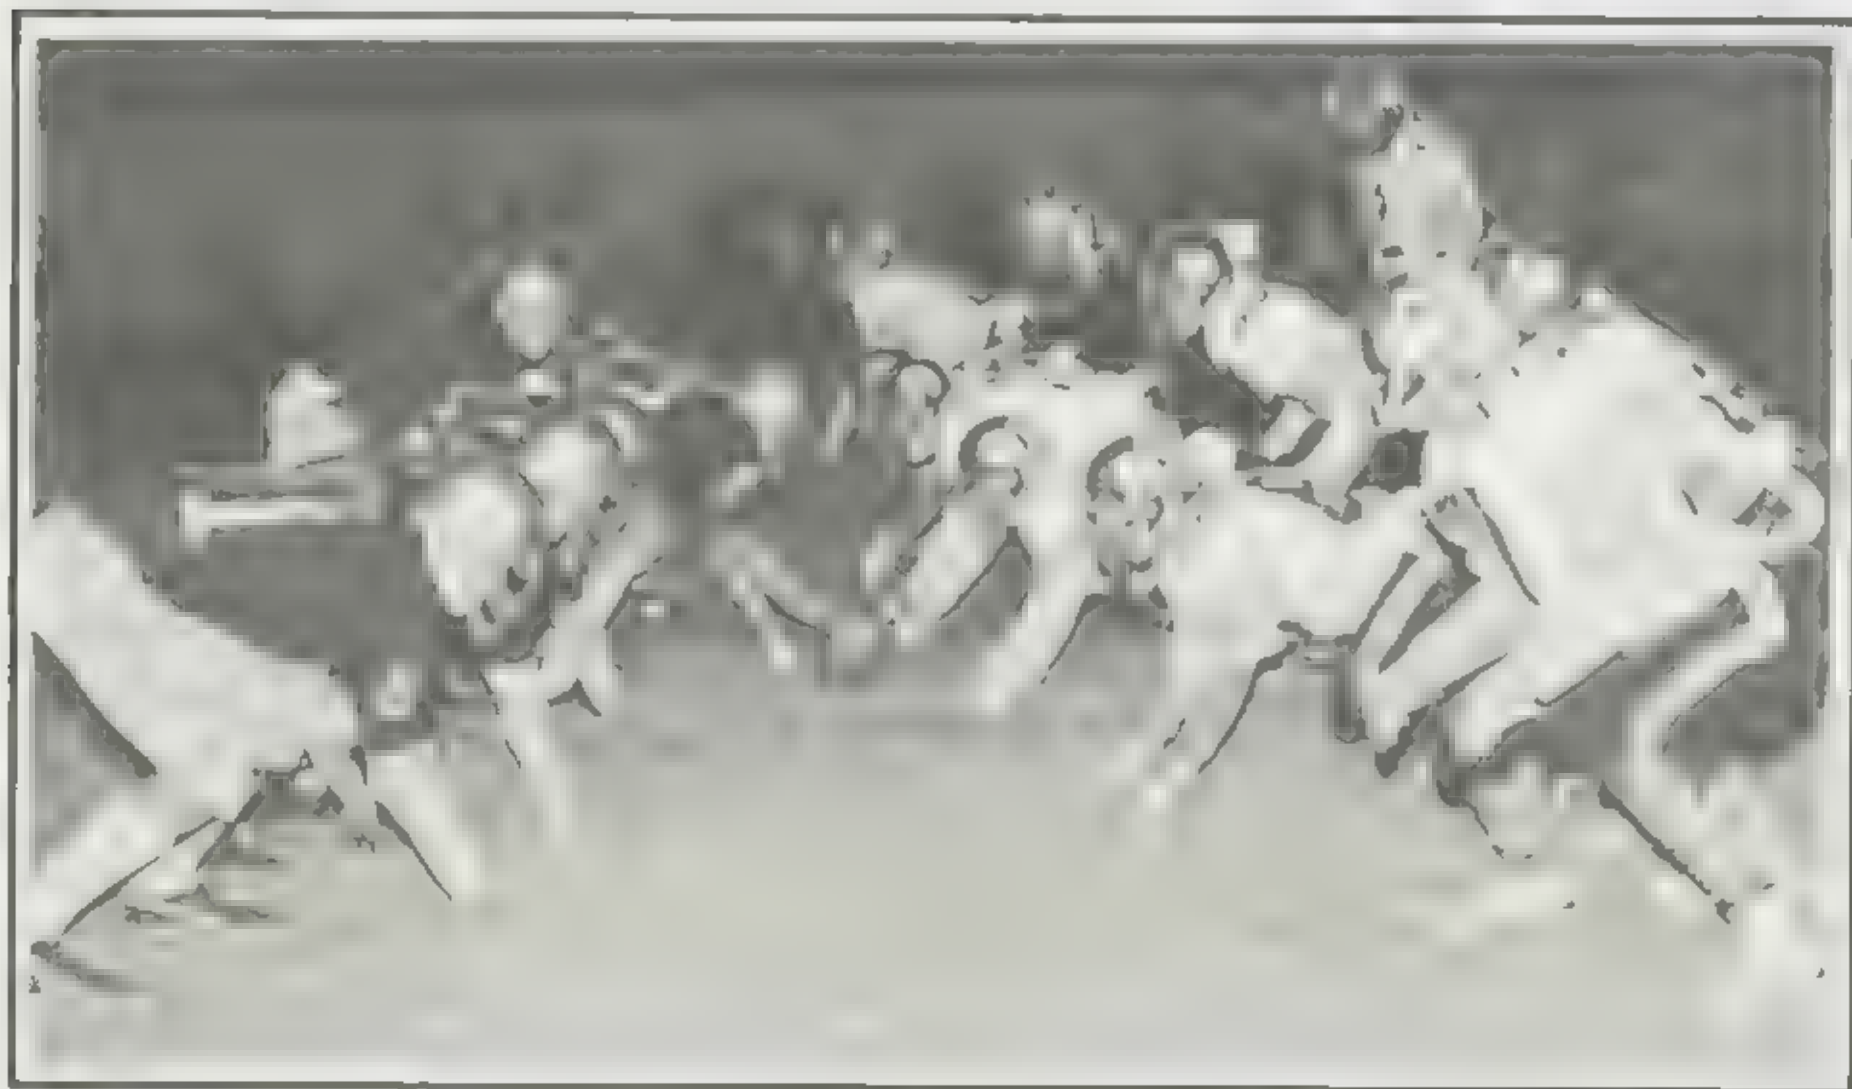

Undaunted after these two losses the Braves hammered St. Bernard 27-0. This was the first shutout for Bosco in two years.

The Braves looked tough as league play opened. They proved it by beating arch rival, Loyola, for the first time 23-10. The Braves improved their record as they downed Notre Dame 27-13. Upending the Crespi Colts 26-15 was a giant step in their quest for the league crown. Crespi had been the preseason favorite to win the league. The Celts took a 15-14 lead in the third quarter and it looked as if the Braves hopes were dashed. A fourth quarter rally, lead by senior Bob Murvin, gave the Braves the victory.

As the final game of the regular season arrived the Braves were playing for the league title. They needed a tie with St. Francis to win the championship. The Braves did just that as they equalled the Golden Knights 13-13.

With the league crown under their belt the Braves stormed the CIF playoffs with a 39-13 thrashing of West Covina. The next game proved to be the spoiler and the season ended. The tough St. Paul team wore down the Braves and defeated them 28-7.

This year's season was the most exciting and most successful in St. John Bosco history. Through their dedication and hard work of the players and the coaching staff the Braves had gone from worst to first in one of the toughest leagues in the state. They really were the "Miracle Braves of 1980."

The Braves opponents were the Black Knights of Notre Dame. In a close game the teams were tied at halftime 7-7. As the gun sounded to end the third quarter both teams were deadlocked at 13-13. But in the fourth quarter the Braves exploded for fourteen points and held on to win 27-13. Leading the Braves offensively were Scott Strachan and Erich Berghammer with 113 and 100 yards respectively. Tim DeRuyter lead Bosco's defensive charge.

Sophs Finish 6-3

This year's Sophomore football team ended a tough schedule with a hard fought 8-7 victory over St. Francis. The win gave the Soph Braves a 6-3 overall record and a third place finish in the Del Rey League. The team was under the direction of head

coach Tim Ellis and assistants Mike Sampson and Kevin McConnell. Standouts for the Braves were quarterback Mike Harris and two way starters Jon McMasters and Tom Richmond.

In Miles of Training on the Roads . . .

Stan Madrid and Mark Gallegos spurred St. John Bosco Cross Country this season with their outstanding running. In order to be a good runner, you have to experience both pain and fatigue and really suffer. These two and others know the feeling much more than the average student. Varsity record was two wins and two losses and ended up in a tie for second place in League competition with Crespi and Loyola.

The man behind all of the training

of these young men is Coach Vic Sharp and Mike Ellis. They work with the team six days a week and about two hours a day.

Sharp is looking forward to next year and all the talent he will have coming of the Junior Varsity and Frosh/Soph.

Junior Varsity and Frosh/Soph teams both finished with a 3-1 record and also finished in second place in League.

Varsity Basketball Has Close Calls, but No Breaks

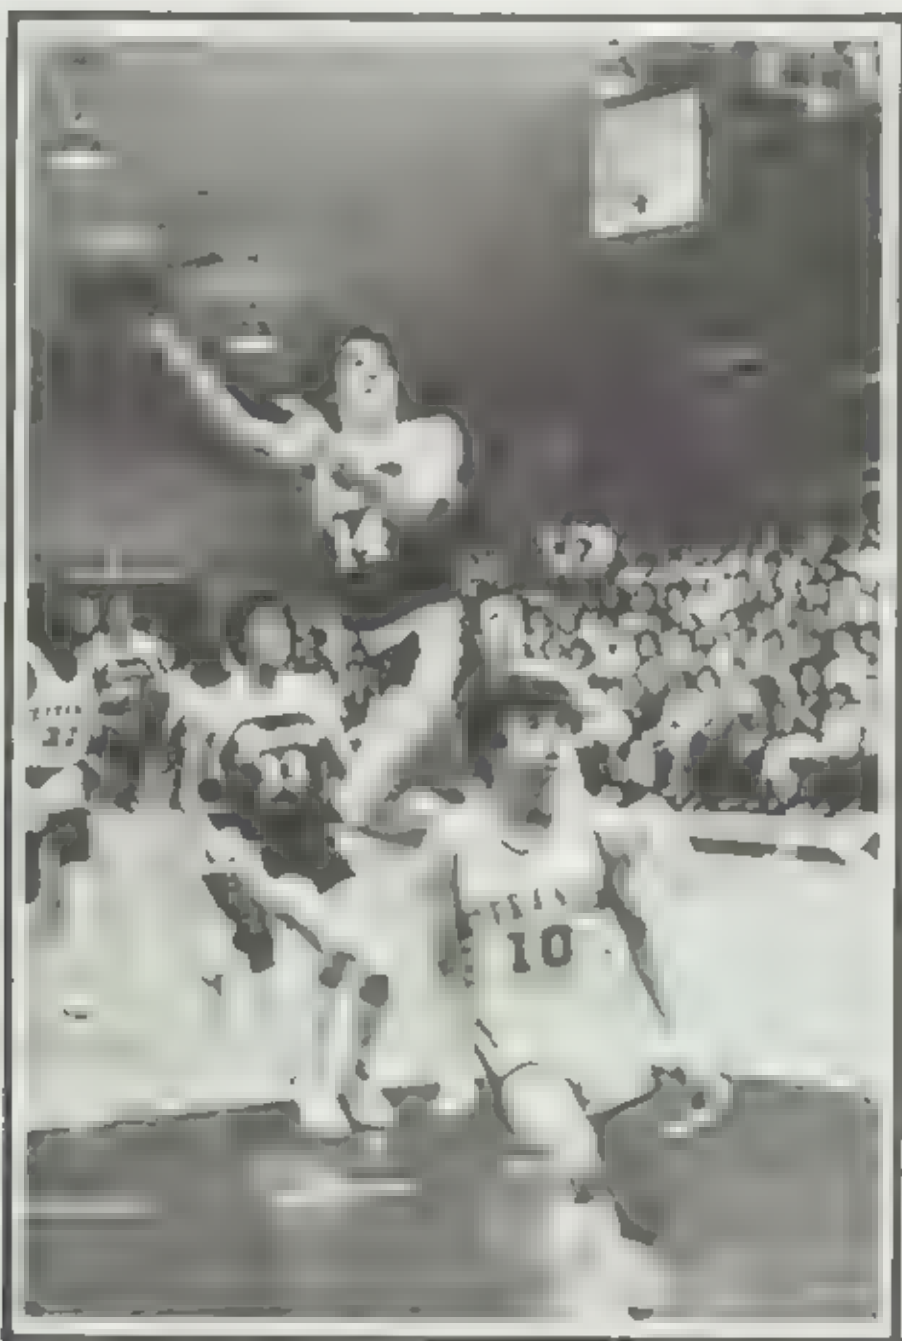

Varsity Basketball started out strong with a fine showing in the Pius X Tournament. The Braves took the Consolation round and looked forward to Del Rey League competition. The Braves were led by Senior Captain **Eric Larson**. Eric's ability and talent earned him a first team rating in

the All-League balloting. Overall the Braves were a 7-15 team. In the rough and tough Del Rey the Braves were close in each game, but ended up with an 0-8 record. Joining Eric on the Del-Rey League Honors were Bryon Strachan and Rodney Scott.

Playing against more experienced and at times older teams, the Junior Varsity Basketball squad battled their way to an 8-12 overall and 3-5

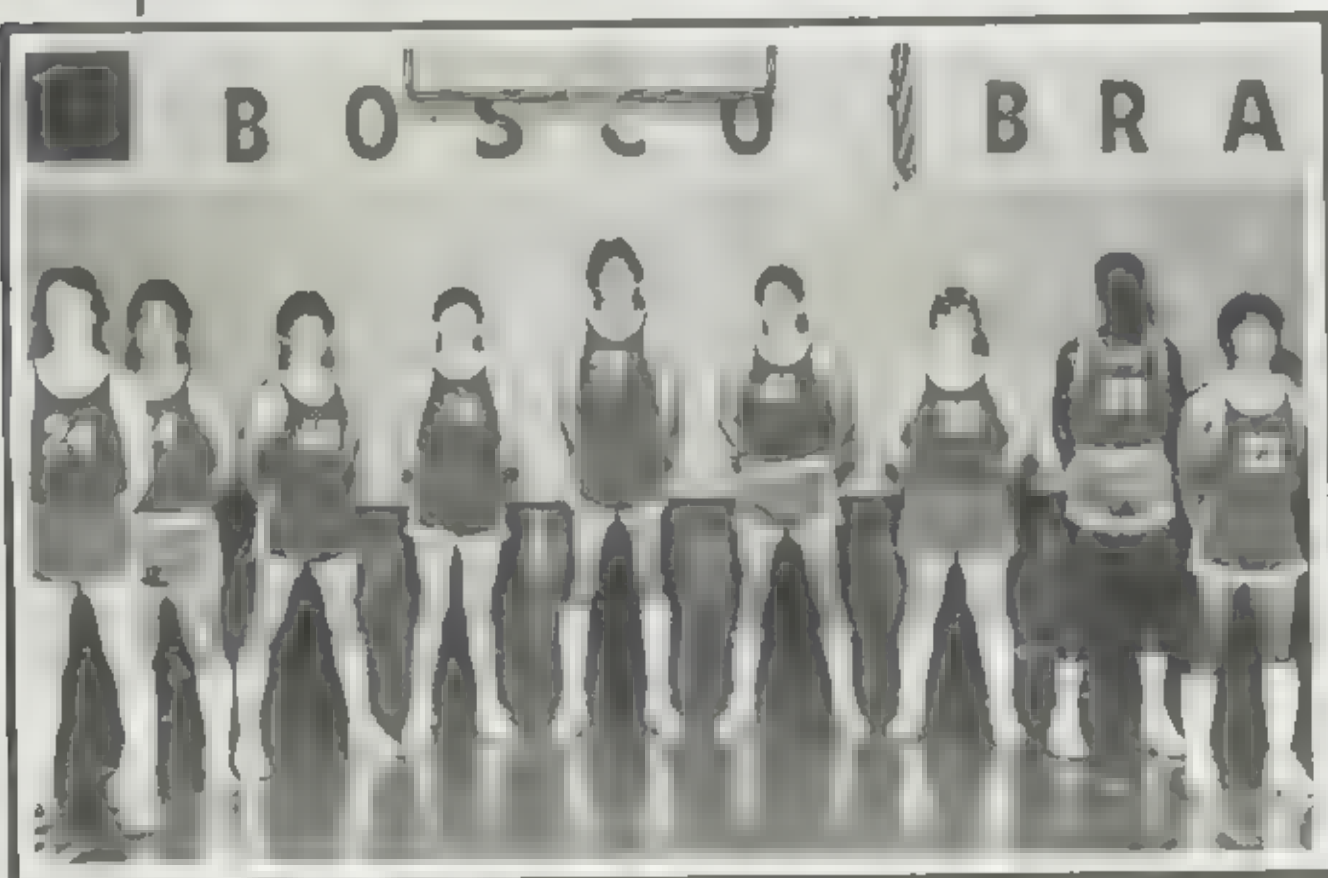

Del Rey League record. The JVs were led by **Chris Whitt** and **Robert Orellana**.

The Sophomore Basketball team proved the hardest of hard luck teams. In their season they compiled a 7-13 record, but ten losses were by one point. These dedicated athletes were led by their captain Ricardo Gonzalez.

Frosh Basketball

L to R: Ron Mendoza, Chris Schnieders, Paul White, Carlos Leon, Tony Madrid, Tim Makentz, Kris Givizdak, Tom Gardner, Steve Iglesias, Dave Loherty, Bill O'Hair, Rod Wineries, Dave Farney, Raul Olivas and Kevin Brazelton.

The St. John Bosco Brave Frosh Basketball team fought their way to an impressive 11-9 record. The young Braves were led by Tom Gardner and Raul Olivas. They announced that big things were in the coming for the Basketball program.

Varsity Soccer: Future Contenders

The 1980-81 Bosco Soccer team was one of youth, speed and heart. The Braves proved themselves in Pre-League competition by beating some of Southern California's finest soccer teams including a tough Huntington Beach team 1-0. The Del Rey League proved itself to be as "awesome" as ever. After getting off to a slow start, Bosco came on strong with a second round victory over CIF-ranked Crespi 2-1. The Braves fell into third place and were denied a playoff berth because of a loss to Notre Dame who also tied for the third slot.

Three year All-Leaguer Jeff Simonton led the Braves with the surest bit of goal tending in the league. Jeff's leadership and dedication was matched by Senior full-back Chris Gatica who was also named to the Del Rey League first team. Brendan Quigley and Rudy Guzman rounded out the senior starters. Sophomore Bob Urbany and junior Robert La Freniere were two other Del Rey standouts so honored by the league. The Braves although young proved themselves to be a contender in years to come.

J.V. Soccer

The 1980-81 Bosco J.V. Soccer team was one of the best J.V. teams in 1980. Unfortunately after the long Christmas lay-off (Dec. 10 to Jan. 11) the young Braves never got untracked. They played well enough to tie at home but were 1-3 on the road.

The J.V.'s were led by two outstanding forwards both scoring 12 goals each: **Patrick Lee** and **Robert Monroe**. Also on the front line providing valuable leadership and poise was captain **Erich Ziegler**. The midfield line of **Mike Solano**, **Bart Callender** and **Ken Hszvidos** provided 7 goals and 12 assists.

The defense was led by three tough fullbacks **Gonzalo Gamboa**, **Gordon Lukehart** and **Donal Kennedy**. Freshman goal keeper **Ken Rustad** proved both aggressive and talented in the nets.

Overall the J.V.'s managed a 6-4-3 record and a fourth place finish in the Del Rey League.

Wrestlers Gain Experience

The 1980-81 Wrestling team was a year of rebuilding. The tough San Gabriel Valley proved even tougher for the young Brave squad. Senior **Dana Swart** led the team and finished second in his weight division. Junior **Dave Wieland** also finished strong by copping a silver medal during the league finals. Junior **Mike Montero** wrestled his way to a third place bronze medal during the final competition held here at St. John Bosco. Coach **Greg Joy** was impressed with the performances of the younger Braves as they looked good for the upcoming years.

Varsity Track

Rain and water were the key words to the opening of this year's Track season. Because of the weather and a leaky watering pipe no track meet was run before *The Brave* went into final publication. We regret that the pictures of the squad are taken in warm-up gear, but we are also sure that the track team will have an impressive year. Coach Mike Sampson predicted a strong showing from his squad, he tagged seniors Stan Madrid, Joe Dalton, Juan Sanchez, Jeff Simonton, Jon Smock, Brendan Quigley, Dave Krowlikowski, Pancho Gonzalez, Jacobus Boersma, Dan DiCristi and Dale Rokes along with juniors Mark Gallegoes, George O'Gorman, Bill Castro, Manny Montez, Jose Pages, Jim Roque and Greg Husted as strong finishers in the Del Rey and CIF finals.

Junior Varsity Track

The Junior Varsity and Frosh-Soph Track programs were plagued early by rain and flooded tracks. The team itself developed under the careful guidance of the coaching staff. Notable standouts for the upcoming year are Bill Castro, John Perlstein, John China, Jaime Vasquez, Tom Crigger, Vince Fillet and Donal Kennedy. The JVs and Frosh-Soph were looking forward to a strong showing in the Del-Rey as The Brave went into publication.

Junior Varsity Baseball

The 1981 Junior Varsity Baseball season was beginning when the *The Brave* went into publication. Coach Ed Riley expressed hope and optimism for the upcoming season. Particular bright spots were highlighted as he looked for impressive performances from his young squad. Junior Varsity players noted were **Dean Derleth**, a sophomore pitcher, **Gregg Linne-**

bur, sophomore shortstop, **Mark Mohler**, sophomore third baseman and **Marty Galvan**, freshman first baseman. The team expected a strong performance from junior second baseman **Rhett Sander**. This young and talented group of Bosco athletes are expected to carry on the pride and winning tradition of Bosco Baseball.

Tennis: "The Raquetteers"

Rob Spencer. The Varsity experience that the team possesses promises success in future years. The J V team, also coached by Mr. McNulty shows some fine potential.

Thanks for Your Cooperation

Wally

Mrs. Dusserre

Thanks to Wally for the help in developing our photographs, also for our film, our camera and the lab when we needed it; Mrs. Dusserre for understanding our need to work while others were in class; Mrs. Generakos for allowing us to use the Xerox machine anytime we were running late (which was all the time); Mr. Steve Eddy, our yearbook salesman, who without his patience would never have understood our madness; and finally to the Salesian Community who suffered through late nights of rock-n-roll and the noiseless typewriters from our work room.

Mrs. Generakos

As we come further in our history, we once again encounter the beginning. Just as the historical world continues to re-arrange time and place, so our present; our past continues to emphasize and de-emphasize. When we dedicated our lives we took many things into account, but the story from the past has been our attention. We have been told that the life of the man who was as dedicated as we are. During a short time in Italy, Dr. Bass was called to the battle of a desperate man... he encountered the man who had two pistols pointed at his head. This desperate man then said, "I have given in to you, but I am not a traitor." But when you come here, a friend or a guest? For I must tell you, I hate hypocrites. I am a man of the world, "As a friend of a friend." So in losing we found a new way to fight of friendship. To the men, friends here at St. John's we are all proud and are here.

... St. John Bosco now.
